### LAW'S OF GOLF

LAW 1: No matter how bad your last shot was, the worst is yet to come. This law does not expire on the 18th hole, since it has the supernatural tendency to extend over the course of a tournament, a summer and, eventually, a lifetime.

LAW 2: Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

LAW 3: Brand new golf balls are water-magnetic. Though this cannot be proven in the lab, it is a known fact that the more expensive the golf ball, the greater its attraction to water.

LAW 4: Golf balls never bounce off of trees back into play. If one does, the tree is breaking a law of the universe and should be cut down.

LAW 5: The higher a golfer's handicap, the more qualified he deems himself as an instructor.

LAW 6: Every par-3 hole in the world has a secret desire to humiliate golfers. The shorter the hole, greater its desire.

LAW 7: Topping a 3-iron is the most painful torture known to man.

LAW 8: Sand is alive. If it isn't, how do you explain the way it works against you?

LAW 9: A golfer hitting into your group will always be bigger than anyone in your group. Likewise, a group you accidentally hit into will consist of a football player, a professional wrestler, a convicted murderer and an IRS agent.

LAW 10: All 3-woods are demon-possessed.

LAW 11: LAW 15: A severe slice is a thing of awesome power and beauty.

LAW 12: "Nice lag" can usually be translated to "lousy putt." Similarly, "tough break" can usually be translated "way to miss an easy one, sucker."

LAW 13: The person you would most hate to lose to will always be the one who beats you.

LAW 14: The last three holes of a round will automatically adjust your score to what it really should be.
